

# Pied Piper Tam

A pattern based on Three Tams by Angela Sixian Wu

Original pattern found at Knitty Fall 2007 <http://www.knitty.com/ISSUEwinter07/PATTtam.html>

This is my chart variation for the Three Tams pattern. Follow the instructions for Tam A. When the pattern directs you to work from the chart, follow the patterns below. The pattern is divided into 6 repeats. For my variation, repeat "Rats Chart" 5 times for each row followed by "Piper Chart" 1 time in each row.
